**W**e're making some improvements to our kitchen, dining room and rear entrance so we can continue to offer our award winning all day pub meals. And while this construction is underway, we have a slightly scaled-down menu as our brilliant

team of chefs are cooking out of a temporary kitchen. But we've tried to keep as many of your favourites as possible, and we continue to offer our famous Chef's Specials. See our specials boards for today's choices.
